

Fifth and Sixth Grade Tuttle Spelling Team Recruitment Flyer

- *Are you someone who enjoys spelling things correctly?*
- *Do you like words and how weird they look and how illogically they can be pronounced?*
- *Do you frequently “guess right” when someone asks how to spell a word you don’t know?*

If you answered **YES** to two or more of these questions, maybe you would like to learn more about the Tuttle Middle School Spelling Team!

Please grab a parent and come to the Tuttle Middle School Spelling Team Info Meeting

September 12, at 6 p.m. in Room 261 at Tuttle Middle School.

Learn about the program, the time commitment for studying at home and practicing with the team and how the team concept works. Learn the critical Regionals date and the hoped for State Competition date as well.

If you like what you learn, you will be able to tryout for a spot on the team at this meeting. The written tryout takes about 15 minutes.

Important: *Even if you were on the team last year, you must try out again.*

Team members will be announced the next day through email.

By the Way... Do you know how good our spelling teams can be? We’ve won both Regionals and the State Competition for both the 5-6 and the 7-8 teams for the past two years! We’ve been the winners or first runner up on both teams for the last 6 years! We have a lot of fun, but we also do good work!

Questions? Email the coach Edith Ainsley at eainsley@sbschools.net. Thx.
