

Fundraising Updates

Does your proposed fundraiser involve food? If so, please note that the SBSB has updated guidelines!

All foods sold through an SBSB fundraiser are asked to follow USDA Smart Snacks Guidelines (i.e., low fat, low sugar, whole grain).

Further information and ideas for community-building fundraisers, recipes and more are available on the Healthy Schools Wellness website: www.sbschools.net. Under either "Staff" or "Families" at the top, choose "Healthy Schools" from the drop-down menu. Then choose "Wellness" from the left-hand menu.

Please send any and all questions to Healthy Schools Coordinator Susie Merrick at smerrick@sbschools.net or 652-7035. Thank you!
