Raised \$740

Enjoy a special day at the ballpark, while raising money for your school and local community!

In 2018, almost \$10,000 was raised for schools, after school programs, and school clubs around the state of Vermont through Lake Monsters fundraising!

- Pick a game date to celebrate your school and community at Centennial Field
- Decide on your selling period - when you would like to sell your discounted grandstand tickets for \$7; for every ticket you sell, your school makes back \$2.50!
- We send you fundraising packets to distribute to your students to make selling super easy!
- We can provide you with promotional flyers and posters to market your fundraiser!
- Return all packets to the Lake Monsters by the end of your selling period
 - >From there, the Lake Monsters will process the order, and send tickets to the school/lead contact to be distributed to the buyers
- Each person who bought a ticket will receive an email leading up to the game with information pertaining to their day at the ballpark
- If you are unable to attend the game, you can call us at least one week before the game and we can transfer your tickets to another game!
- Choose to utilize incentives such as movie tickets, toy store coupons, and ballpark spending money!
