MASTER PLANNING AND VISIONING WORKSHOP

A Visioning Workshop with approximately 70 community members including parents, students, staff, and business owners was held today. The primary focus was to determine where the district wants to go educationally for grades 6-8 and 9-12. Under the direction of architects and staff of Dore and Whittier, Architects, the group provided input to help develop building options for consideration. The attendees worked in small group sessions and answered specific questions. Each small group reported out to the entire group. Each group had flip charts and journals to record thoughts and ideas. The next step will be to visit different schools in the Boston area and in Vermont.

ADJOURNMENT

Martin LaLonde made a motion to adjourn the meeting and Bridget Burkhardt seconded the motion. All were in favor. The motion passed. The meeting was adjourned at 3:48 p.m.
