

The South Burlington School Board took action at a special meeting on March 16 to delay submitting a budget to the voters during this period of closure and curtailment ordered by the Governor and the Health Commissioner. The board will target early-May for a revote on a budget, yet to be finalized. Legal counsel was engaged to assess the Board's flexibility in interpreting the South Burlington City Charter to allow for this "pause" under such unusual circumstances and has represented that the Secretary of State concurs with this approach. Community engagement by phone, email, Zoom, and RETN is encouraged at this time. Check the South Burlington School District website for upcoming meetings.
