

## VOLUNTEERS AND WORK STUDY STUDENTS

### POLICY

The South Burlington School Board recognizes the valuable contributions made to the school by volunteers and work study students. It further recognizes that appropriate supervision of volunteers and work study students will enhance their contributions as well as fulfill the responsibility that the School District has for the education and safety of its students.

The Superintendent shall develop administrative rules and procedures to ensure that volunteers and work study students are appropriately screened prior to entering into service in the school district, and that volunteers and work study students do not have extended unsupervised contact with students.
