

**SOUTH BURLINGTON SCHOOL DISTRICT
POLICY D3**

ALCOHOL AND DRUG-FREE WORKPLACE

POLICY

It is the policy of the South Burlington School District to maintain a workplace free of alcohol and illicit drugs. No employee, student teacher, volunteer, or work study student will unlawfully manufacture, distribute, dispense, possess any non-prescribed drug or use alcohol, or misuse any prescribed or OTC drug on work time or in the workplace. Nor shall any employee, student teacher, volunteer, or work study student be in the workplace while under the influence of illegal drugs or alcohol. If there are reasonable grounds to believe that an employee, student teacher, volunteer, or work study student is under the influence of illegal drugs or alcohol while on or in the workplace, the person will be immediately removed from the performance of their duties. Nor shall an employee, student teacher, volunteer, or work study student abuse legal drugs while engaged in workplace activity.

It also includes off school property during any school-sponsored or school-approved activity, event, or function such as, but not limited to, a field trip or athletic event, where students are under the jurisdiction of the school district.

Employee means all persons directly or indirectly compensated by the school district for providing services to the district and all employees of independent contractors who provide services to the district.

EMPLOYEE RESPONSIBILITIES

As a condition of employment, each employee will notify the Superintendent in writing of their conviction of any criminal drug statute for a violation occurring on or in the

workplace as defined above. The employee must notify the Superintendent no later than five days after such conviction. Entry of a nolo contendere plea shall constitute a conviction for purposes of this policy, as will any judicial finding of guilt or imposition of sentence. Within ten (10) days of notification from an employee, or receipt of actual notice of an alcohol or drug conviction, the Superintendent will notify any federal or state officers or agencies legally entitled to such notification.

An employee, student teacher, volunteer, or work study student who violates the terms of this policy may be asked to satisfactorily complete an alcohol or drug abuse assistance or rehabilitation program approved by the Superintendent. In addition, an employee who violates the terms of this policy will be subject to disciplinary action, including but not limited to non-renewal, suspension, or termination at the discretion of the Superintendent or, if required, the Board.

1. Alcohol is not considered a "controlled substance" under federal law. The Drug Free Workplace Act, therefore, does not require that alcohol be included in an employer's prohibition of drugs in the workplace. Vermont law does authorize employers to prohibit alcohol possession and/or use of alcohol in the workplace. The Vermont drug testing law defines "drug" broadly, and includes alcohol as a "drug." 21 V.S.A. §511(3).
2. The Drug Free Workplace Act of 1988 applies to all individuals or organizations that receive federal grants and any individuals or organizations that are federal contractors whose contracts exceed \$100,000. The Act does not explicitly require a Drug Free Workplace policy, but it does require covered entities to "...establish a drug-free awareness program to inform employees about...the grantee's policy of maintaining a drug free workplace...". 41 U.S.C. §702(1)(b)(ii).
3. The Drug Free Workplace Act requires specific actions on the part of employers including publication of a statement notifying employees of the prohibition against illegal drugs in the workplace, the establishment of a drug-free awareness program with specific elements, the notification to employees that compliance with the prohibition against drugs is a requirement for employment and imposing specific sanctions on any employee who is convicted of violations occurring in the workplace. See 41 U.S.C. §701.
