

**SOUTH BURLINGTON SCHOOL DISTRICT
POLICY E1**

TOBACCO PROHIBITION

POLICY

In accordance with state law, it is the policy of the South Burlington School District to prohibit the use of tobacco or tobacco substitutes on school grounds or at school-sponsored functions. This ban extends to any student, employee, substitute, volunteer, work study student, intern, or visitor to the school, and applies at all times, whether or not school is in session.

Students are, furthermore, prohibited from possessing tobacco products, tobacco substitutes, or tobacco paraphernalia at all times while under the supervision of school staff or at school-sponsored activities. The Superintendent or designee shall develop procedures, rules, and regulations that are, in the superintendent's sole judgment, necessary to implement this policy and, at a minimum, will include provisions ensuring that tobacco products, tobacco substitutes, or tobacco paraphernalia are confiscated when found in the possession of students and that referrals to law enforcement agencies are made when appropriate.

An employee, substitute, volunteer, work study student, or visitor found out of compliance with this policy may be subject to further action such as, but not limited to, disciplinary action or discontinuance of assignment.
