

Security Cameras

To enhance the safety of our school community, the Board commits to the use of security cameras according to this policy.

The Superintendent shall not cause or allow security cameras to be used in any way that is unlawful, imprudent, in violation of commonly accepted practices, or that violates the mission and core values of the school district.

Accordingly:

1. Security cameras are limited to public spaces that would be of assistance to law enforcement in response to a crisis.
2. Security cameras will be utilized to ensure student, staff, and community safety.
3. Law enforcement may review camera recordings to investigate criminal conduct with approval from the South Burlington Police Chief/Designee and the South Burlington School District Superintendent/Designee.
4. Administrators may use video recordings to investigate incidents related to student, staff, or community safety with approval from the South Burlington Police Chief/Designee and the South Burlington School District Superintendent/Designee.
5. Signs will be placed at main entrances to provide notification of the use of security cameras.
6. The Superintendent will ensure that a formal written agreement is in place prior to providing law enforcement with access to security cameras.
