

# NEWS FROM THE SCHOOL COUNSELING OFFICE

December, 2020

## New Newsletter Format

We've changed the School Counseling Newsletter—the new version is shorter, and will be sent out more frequently. We hope you find it informative!

## Standardized Pre-College Testing Scores Are IN!

### PSAT's

During the week of 12/16, counselors met with Juniors in Advisory to review how to access PSAT scores, what scores mean and what the next steps are for students.

Students who don't have an advisory and those who missed the meeting should see their school counselor for the necessary information.

### Pre-ACT's

Pre-ACT scores and books were distributed in Sophomore Advisory during the week of 12/16.

Students who don't have an advisory should see their school counselor for their scores and books.

## Semester 2

Semester 2 begins on 1/13. All students should log into the PowerSchool portal, review their upcoming schedule, and talk with their school counselor about any changes they are considering.

## Seniors!

The VSAC scholarship deadline is February 2, 2020. Winter break might be a great time to check these out.

VSAC scholarship books are available in the Guidance Office. Scholarship information can also be found at [vsac.org](http://vsac.org).

## Thank you!

Thank you to all the families who contributed to our holiday giving. Your support and kindness has helped a number of South Burlington families this holiday season.

We hope you have a restful, peaceful December break. See you in 2020!
