## **Big Thank You!**

Thanks to Shannon Estep, Chair of Picture Day, and the many volunteers who made the two days run so smoothly. We'll let you know when picture retake day will be.

## **Early Dismissal**

Our first early dismissal will be Friday, September 20<sup>th</sup> at 12:30 pm. No lunch will be served, but bag lunches may be purchased. Thank you for your support and flexibility.

## **Thank You Price Chopper**

Thank you Price Chopper for donating a variety of school supplies for our students! Much appreciated!

## **Thank you SeaComm Company**

Thank you SeaComm for providing lots of school supplies for our students! The backpacks were wonderful!

## **RMCS Quote of the Week:**

Sometimes what looks like the end is really a new beginning.

## **Security Update**

We have a new look at our entrance! To adhere to new laws, we now have two sets of locked entrance doors. Please continue to press the white button one time and stay at this spot until you are asked your name and who you are here to visit. You will be buzzed in the first door and then will be asked by a member of the SBSD Campus safety team who you are here to see. They will then buzz you in the second set of doors. Please be patient as we all get used to this new system.

## **Market Street Report from the Superintendent**

Please be aware of the importance of traffic safety during the last few months of the Market Street construction project. Delays are inconvenient and at times frustrating, but we ask that you keep in mind that the traffic control flaggers are there for everyone's safety including everyone who spends time at RMCS.

## **RMCS Needs Substitute Teachers!**

We have available fill in jobs for all positions like classroom teachers, para educators that help out in the classrooms, teachers that work one on one with students, PE, music, art, library and short fun shifts like recess and lunchroom attendants. The positions can be full day or morning/afternoon half days or three hour midday slots. You can have a window into your child's world while making some cash! No experience necessary. Please contact Sara McNally at 652-7255 for more information. We hope to work with you in the fall!

## **Save the Date for the Music Program!**

The 2<sup>nd</sup> – 5<sup>th</sup> Grade Winter Music Program will be Tuesday, December 17<sup>th</sup> at 6:30 pm! We have booked the SBHS Gymnasium for this event due to our wonderfully large audience sizes, and so that all 2<sup>nd</sup> – 5<sup>th</sup> Grade students can perform on the same evening! Stay tuned for more information as we move throughout the fall. Kindergarten and First Grade will perform at their own music program in the spring!

Also, we are working to raise funds to purchase a Bass Xylophone for our amazing, hardworking, and creative students! If you are able and interested in helping us reach our goal, visit the Donors Choose link below, which is also on the homepage of our RMCS Music website. Always, thank you for supporting and nurturing our wonderful RMCS Community! <https://www.donorschoose.org/project/all-about-that-bass-xylophone/4350334>
