Unless someone like you cares a whole awful lot, nothing is going to get better, it's not. Dr. Suess

## **Early Dismissal Friday**

Our first early dismissal will be tomorrow, Friday, September 20<sup>th</sup> at 12:30 pm. No lunch will be served, but bag lunches may be purchased. Thank you for your support and flexibility.

From our Nurse: With the timing of this dismissal, our students eat lunch in the classroom or outside if the weather is nice. Since we have several students in our schools, and possibly in your classroom, with severe food allergies, it is important for you to pack an appropriate lunch. There are 8 more early dismissal days. On those days, you should refer to the list of foods that are not permitted in the classroom for snack time and follow that list for lunch. If you no longer have that list, please be in touch with me. If you have any questions concerning the above information, please do not hesitate to contact me.

## **Market Street Report from the Superintendent**

Please be aware of the importance of traffic safety during the last few months of the Market Street construction project. Delays are inconvenient and at times frustrating, but we ask that you keep in mind that the traffic control flaggers are there for everyone's safety including everyone who spends time at RMCS.

## **Watch for Picture Packets Going Home Soon**

On each order form, you will see 5-6 photos of your child. You can choose your package and photo. You can do multiple combinations. Please include payment in the envelope. Online ordering will be available soon, however it is less expensive to order through the package. There is a \$5.00 package available to purchase. All students receive a class photo free. We'll keep you posted.

## **Seeking South Burlington Community Input**

Here is an opportunity to learn more about the plan and provide input on the design for the future middle and high school campus. On September 4<sup>th</sup> the School Board approved a redesign of the middle and high school campus to support education of the next generations of South Burlington students. Come join us on either Wednesday, September 25<sup>th</sup> or Tuesday, October 15<sup>th</sup> in the High School Library at 7 pm.

## **From the Library**

This year all K-5 RMCS students have been given a plastic bag to keep their library books safe in their backpacks. Many thanks to the RMCS PTO who generously purchased these bags. Your student has been asked to keep this bag in their backpack throughout the school year. Anytime library books are in their backpack, they should be put in the bag. Kindergarten, 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> grade students will bring this bag to the library whenever they want to borrow a book. Should your child's bag get lost or damaged you can replace the bag with a waterproof bag from your home. We will also keep recycled grocery bags at the library to give to students without a bag. Thanks so much for your help.

## **Family Directory**

If you want your child in the yearbook and/or directory, which is a great way to set up play dates, birthday parties, etc..., you must fill out the form online at the RMCS main page. A paper copy is being sent home soon as well. The deadline is Friday, October 4<sup>th</sup>.
