RMCS Quote of the Week:

Nobody can do everything, but everyone can do something.

Report Cards

Report cards will be going home on Friday, February 6th. Please note that your child is being marked on this report card based on end of the year standards. These are standards the children are expected to meet by the end of the school year. Therefore, if your child has received a 3 on a given standard, it means that they have already met the end of the year standard. A 2 indicates that your child is currently progressing toward meeting the end of the year standard. Please understand 2's are perfectly acceptable! If you have any questions, please contact your child's teacher.
